

# Happy Global Handwashing Day

See how fast germs spread

# WHAT YOU WILL NEED:

**FLOUR/POWDER**

**BOWL**

# INSTRUCTIONS:

1. Dip your hands in flour.

# INSTRUCTIONS:

2. Hold hands with a friend.

# INSTRUCTIONS:

3. Touch a book.

# INSTRUCTIONS:

4. Carry on with your classroom activities.

# END RESULT

5. Now tell your learners/children to look at how the powder/flour has spread on all the items they touched. Explain that this is how germs spread even if we cannot see them.

# END RESULT

6. Help your learners/children to wash their hands with soap and clean water.
