

HAPPY GLOBAL SCHOOL PLAY DAY!

Screen-free play for curious, creative minds.

Here are some unstructured,
screen-free play ideas for your
learners/children:

1.

Outdoor Exploration: Go on nature walks together, collect items from nature or play "I spy".

2.

Get Creative with Crafts: Make art using everyday materials - collages, homemade salt dough, sock puppets, or free painting.

3.

Imaginative Role Play: Encourage pretend games like doctors, princesses, astronauts, or farmers to build social and storytelling skills.

4.

Building and Creating: Use blocks, boxes, cushions, or blankets to build forts, towers, and imaginary spaces.

5.

Games and Puzzles: Play board games and do puzzles to strengthen patience, problem-solving, and strategic thinking.

6.

Kitchen Play: Cook or bake together to learn counting, measuring, and following instructions - while having fun!
