Make a LOVE Hug Jar

Name:..... Date:.....

**A hug shows someone how much you love them and care
You can give a hug anytime and anywhere
Being helpful and kind is where you start
because when you do that, you hug a heart**

Let's make a Hug Jar

Materials for hug hearts:

- Thick, coloured paper board; glitter, rhine stones and other decorations to decorate the hearts
- Clear jar with a wide opening for little hands to go in and out – with lid
- Label the jar "My Love Hug Jar" in the front and "Feel the love" at the back of the jar

Step by Step

1. Cut out and trace hearts from the template onto coloured board paper so that you can make at least 10 different sized hearts (don't forget to ask your mom or teacher to help you).
2. Decorate the hearts as you like. Use red, gold yellow, green and blue to make your hearts bright and colourful.
3. Place the hearts in a jar.
4. Label the jar "My Love Hug Jar" in the front and "Feel the Love" at the back using the templates.
