

Name:..... Date:.....

1. Draw the recycling triangle in the space provided. Put a number "5" in it.

2. Each of these plastic containers can be recycled. What number goes into the triangle? Use the Million+ poster to write the correct number in the triangle.

Bread bag

Small yoghurt tub

Margarine tub

Milk bottle

Lunch box

Shampoo bottle

Squeezable tomato sauce bottle

Water bottle

Important: Remember to always check the recycling symbol on your packaging to make sure that it is the number that you think it is. Also look for the words 'recyclable' or 'not recyclable'.

Answers: (1) Water bottle (4) Small yoghurt tub (5) Milk bottle (2) Lunch box (5) Shampoo bottle (2) Squeezable Tomato sauce bottle (4) Water bottle (1) Bread bag (4) Small yoghurt tub (6) Margarine tub (5) Milk bottle (2) Lunch box (5) Shampoo bottle (2) Squeezable Tomato sauce bottle (4) Water bottle (1)
