

# FUN FACTS FRIDAY

Did you know these cool  
Kalahari desert facts?

It is the sixth biggest desert by area on Earth.

It's the second biggest desert in Africa.

Botswana, Namibia and the Northern Cape make up the Kalahari desert.

The name "**Kalahari**" is taken from the **Tswana** word Kgala which means "**the great thirst**", or Kgalagadi which means "**a waterless place**".
