

QUICK TIPS to Keep Your Kids Entertained At Home!

Read a book out loud together!

Play educational board games like Scrabble to help build their vocabulary.

Create a treasure hunt - it will keep them busy for hours! The clues will also challenge their thinking skills.

Make art!

Let their imaginations run wild and paint/draw together - you'll have some awesome art for the fridge.

**Plant a vegetable patch in your garden
Kids that grow their own vegetables
are much more likely to actually
eat their veggies! Start simple
with lettuce or tomatoes.**
